BROUGHT HERE FOR BURIAL. Interment Yesterday Afternoon of the Remains of Dr. Moores,

THE LEDGER has already printed no-

Tuesday and vesterday morning he re-

ay anternoon.

Mrs Lizzle Hurtt of Springfield, Ill., a
tep-daughter of deceased, came on the

highly sensational stories concerning the habits, wealth and death of Dr. Moores,

which it is not worth while to correct in

The Doctor owned some eight or ten ouses of various sorts and values in the

ost disreputable quarter of Louisville: These houses are rented to saloon and

Their aggregate value is placed a \$25,000 to \$30,000;

The monthly income from rentals i

The above property is incumbered by morigage for \$5,000;-

The Doctor himself occupied a flat a deventh and Walnut streets, and so far

from living in squalor his surrounding were very comfortable.

He had been on a protracted spree, an was being nursed by a young man named

this city some months ago, and who is a

Young Mr Powers went to his dinner Monday, and when he returned about 1

o'clock the Doctor was dead.

Mr.C.C.Caihoun of this city, whose wife
was a step daughter of Dr. Moores, was

orified by relegraph, and left as soon as he could for Louisville.

Pending his arrival, an inquest was held by Coroner Hood, and the Doctor's

effects were jurned over to Mr. George

Dr Moores leaves two brothers, Jack on and Witi Moores, at Enid, Okia., and married sister at Moberly. Mo., and these will probably be the heneficiarie

### AT CHICKAMAUGA

AT CHICKAMAUGA
The Boys in Blues and Grey Are Arriving in
Large Numbers—Decitation of State
Monoments to Highs.
CHATTANOGA. Tenn., Sept. 19.—
Chattanooga extends a burning welcome to her thousands of visitors. The
heat in unexal, even for the samp
alike suffer. Unless there is a change
there will be great disconnfort in attending the dedication of the park. It is altuated some miles from the city,
and the trip to and from is one of some
moment.

and the trip to and from is one of some moment.

Principal events of Wednesslay morning was the servival of Oor. McKinley, we may be a served from Christopher of the Society of the Army of the Tennessee arrived from Cincinnation on special trains and attended in a body the reunion of the Army of the Cumberland. They will meet Thursday night in rounion with the survivors of the confederate army of the Tennessee. Official visitors, Vice President Stevenson, the members of the congressional committee and many of the governors of the states, and state commissioners are quartered there. The day preliminary the properties of the congressional committee and many of the governors of the states, and state commissioners are quartered there. The day preliminary was devoted largely to the exercises in connection with the dedication of state monuments exceted at various points within the park. Owing to the absence of Secretary Lamont, the monuments were presented in each instance of Secretary Lamont, the monuments were presented in each instance of Secretary Lamont, the monuments were presented to foot of the state park commission. Michigan led off in this pleasing and patriotic service, the commission occupying for that purpose the platform on Snod-grass Hill, on which the general dedication except the platform of Snod-grass Hill, on which the general dedication except the platform of Snod-grass Hill, on which the general dedication of the Carlon of Snod-grass Hill, on which the general dedication for the day.

Illinois dedicated her monuments at the Widow Glenn's house, which was Thomas' headquarters. The adverse was delivered by Gov. Mich. Uphane, except mer head, and others, and the properties of the state state park commission, opened with prayer. Addresses were made by Gov. W. H. Uphane, except mer head, and others.

The exercises attendant upon the transfer of the Indiana monuments to the government took place at Lytle Hill, as the ridge south of the Dyer house is called in memory of Uea. Lytle, who was killed there. It is a short distance morth of the Widow Glenn's house. Opa. M. C. Hunter was master of corresponding.

THE MAYSVILLE REPUBLICAN WEEKLY PUBLIC LEDGER.

Did U?

**EIGHT PAGES!** FORTY COLUMNS! SI 50 A YEAR!

Did you ever think that relatives or friends who have moved to distant places-gone West, perhaps, to grow up with the country—are al-ways giad to hear from their "Old Eentucky Home!" And did it ever occur to you that a Homer And did it ever-courte you take single copy of The Mayeville Republican-the weekly edition of The Public League—co-tains more home news than you could en-brace in a hundred ordinary letters? And di t ever strike you that you can send the paper o your relatives and friends for a whole year at less cost than you can write a letter week? Besides, don't you think a year's sub scription to The Refuelican would be a pres ent highly appreciated by those at a distance? Suppose you try it and hear what they have to

The Truth at Last Comes to

Light Concerning It.

THE CHOLERA.

Japan and China Are Fairly A'ive With Chole: a Germs.

ver 17,000 Feeple Have Died in Japa From it bince its Start—In Osaki 180 New Cases Were Reported in One Day—Spreading in China.

From it vince its Start—In Ceast 1 be New Cases Were Reported in One Bay—spreading in China.

SAN FBARCIEC, Sept. In B.—Notwithstanding the endeavors of Japanese and Chinese authorities to suppress news concerning the echolers, the truth has at last come to light concerning the plague. Japan and north China are fairly alive with cholers germa; Siberian officials have declared from official sources it is learned that over 17,000 people have died in Japan from the plague insine its start in the Pesendores. In China the discase has gained a firm forthold. Advices by the steamer Rio Janeiro report that in Tokito the heat is terrific, and the discase last gained a firm forthold. Advices by the steamer Rio Janeiro report that in Tokito the heat is terrific, and the discase serms have been life. On the Rio little could be learned to the steamer of the life, on the Rio little could be learned exceeding your last proposed but just how many In Chaski 120 new cases were reported mone day. All public places in the district have been ordered closed and the foreign and native population is fighting the disease vigorously. A carpenter on the steamer Ashdown in Yokohama, was attacked by the disease, and the child of Dr. and Mrs. McPhraine, of the Chaski Lou Law Cases were reported. Four sallors of the Italian cruiser Umbria have recovered, out of a dozen or more stricken with the disease.

In China, at Che Foo, the disease is spreading rapidly. Miss Thrane and the child of Dr. and Mrs. McPhraine, of the Chaski Chaus London mission, were officed to the control of the Chaski Chaus London mission, were officed to disease pressilled among the foreigners many of whom have been forced to dee from the country.

The President Pressed the Patton and the Machinery Did the Rest.—Cannon vitaged ATLANYA, Ga., Sept. 10—President Grover Cleveland touched a button at Buzzard's bay at 5 o'elock Wednesday and instantly the wheels of the machinery at the Cotton States and in Ruzzard's bay at 5 o'elock Wednesday and instantly the wheels of the machinery at the Cotton States and in the Cotton States and in the Cotton States and in the tops of the many buildings and the great south's industrial exposition was officially open or with people Strangers have been coming in for two weeks to be present at Wednesday's exercises. and additional thousands arrived Tuesday night and Wednesday morning. The city is profusely decorated and as in old carnival times, everything goos. The list of distinguished personages and historic organizations here in a long one. New York, Pennsylvania, Minosa Indiana, Akanasa, California, Texas, Alabama, Florida, South Carolina and Ohlo, and many other states are officially respressed to dittinguished the state of a board of commispancy of the country are represented tither by their governors or members of their stuff or a board of commispancy of the country are represented by staff correspondents. The paraic of civic sand military bodies, which acted as an eccort to the officials of the exposition and old of the country are represented by staff correspondents. The paraic of civic sand military bodies, which acted as an eccort to the officials of the exposition and military bodies, which acted as an eccort to the officials of the exposition and the paraic of civic sand military bodies, which acted as an eccort to the officials of the exposition grounds the other activity of the exposition of the artiflerymen were conspicuous on the arrests. The veceived marked to feen, Corea, Mush has been made of the Washington artiflery of New York Pennilly pronounced open, waved the same signal which he received threy one years ago from Gen. Sherman and waved to Gen. Corea, Mush has been made of the Washington of Nawkogee. A DISASTROUS FIRE.

Preperty to the Amount of #375,000 Descripted at Other-In-Control of the most disastrous fires that ever visited this city broke out at about 12:30 o'clock Wednesday afternoon, and was not brought under central until property valued at about \$375,000, including two large manufacturing plants, three residences, one store and about seven million or eight million feet of fumber were destroyed, then life was also were destroyed, then life was also were destroyed, then of the burning of the sash, door and blind factory of the Morgan Co., John Sellmar, forems of the mill, entered with the intention of the mill, entered with the intention of the life was orer-come by the heat and burned to death. The exact origin of the fire is not known.

Another Fire at Indianapolis.

Non-water of the control of the cont

railway tracks.

Kesnacky Appie Crep
Lawrenceren, Ky., Sept. 10.—The
apple crop in Kentucky was never so
great as this year. In some of the
mountain counties they are being retailed at from 2 to 10 cents per bushel,
in consequence of this an abundance
of apple brandy distilleries are apringthat section of the state. There are
now nearly 300 of these plants in operation in this (the Eighth) internal reveaue district.

Illinois Minars Strike.

RIGH IN HIS (LIVER)

RIBIDES MINEY STIKE.

COPPENS, III. Sept. 19—The miners here walked out Wednesday morning. Some time age a cut from 10 to 35 cents. Some time age a cut from 10 to 35 cents. Some time as the price of coal would justify. The miners claim coal has advanced and the operators failed to fulfill their promise.

Lightning's Deadty Werk.

CLARESYLLE, Tenn, Sept. 19—A tree under which Dock Ilumphreys, a farm hand, had sought protection from a rainstorm, was struck by lightning, and he was killed. Besides having his shoes ton from his feet, the body was set on fire, and the sight which met the view of the parties finding the remains, was a sckening one.

Barred by the Odd Feliowe.

mains, was a sickenling one.

Narred by the Odd Felions.

ATLASTIC CITY, M. J., Supp. 18—At the afteroon seem of the Sovereign Grand Lodge I. O. O. F. the amendment to the constitution providing that no asioonkeepers, barkeepers organofessional gambiers shall be eligible to membership in the order was passed.

Minister Kassom Arbuttseter.

RAIRIOI, N. C., Sept. 19—A appecial dispatch from the City of Nexico says that President Diaz has just appointed Minister M. W. Ransom arbitrator in the dispute with Guatemaia.

New Years as East Officers.

KNONYLLE, Tenn. Sept. 10.—The commandery in ohief of the Son of Veterans elected the following officers for the next year at Wednesday afternoon's seasion: Commander-in-chief. W. H. Russell, Rush Conter. Kan; senior vice commander, Elwood T. Carr, Radnor, Pa; junior vice commander, W. R. Cooper. Knowrille. Carr, Radnor, Pa; junior vice commander, W. R. Cooper. Knowrille. Ohief. P. V. Spellman, of Ohio Dan S. Goulding, of Massachusetta, and R. S. Buckley, of Louisville, Ky. The commandery in chiaf decided to hold its national enacmpment next year at Louisvilla, Ky.
